

Welcome to the Oamaru Rifle Club Range

Our Rifle Range is situated north of the Oamaru town boundary on Boundary Creek Road.

This road is approx half way between Oamaru and Pukeuri freezing works.

The attached map shows the name as Landon Creek Road but this is incorrect.

The creek which the road follows is named Landon Creek, there is also a bridge on SH1 with this name. The road to the range is at that bridge.

The range has shooting distances of 300, 500 and 600yds with 7 operational target frames.

There is also an outdoor 22cal range at the same site.
